IK Rating	IK10
Dimensions	W16 × H17 mm
Installation	Top Bend: Up/Down • Side Bend: Left/Right
Dimming	Dimmable; Dimmable Driver + Compatible Controller Required
Warranty	3 Years

REMARK

Check the required bending direction before ordering and installation. Do not twist the Neon Flex or force it to bend in an unsupported direction. For outdoor and underwater installations, use IP68-rated Cable Entry, Connector and End Cap components and follow the manufacturer's instructions.
